Calling all 4- to 6-year-olds to ...

Make Magic at Encompass!

The Encompass Main Campus is the place to be on **Friday, March 20**, for a magical morning, full of fun, intrigue and the chance to interact with and learn from a locally based, professional magician!

Children will have the opportunity to enjoy a magic show close-up and ask the magician to reveal his top secrets! After the show, children will experience a hands-on workshop and learn to perform their own tricks! Presented by the **Philip & Henry Amazing Magicians**, this workshop will be a delight for everyone!
