

Preschool Paradise and Music Academy

Where learning is warm and fun!

Preschool Paradise & Music Academy places high value on each child's individuality including his or her special interests, abilities, and feelings. Focus on math skills, social skills, science and music. Strong emphasis on phonemic awareness to help your child build an important foundation in reading.

Positive "first school" experience with small class sizes.

Certified teachers with Masters in Early Childhood Education. Music taught by a music specialist with Masters in Music. Along with singing we learn about composers, rhythm, instruments, theory, beginning guitar and much more
