

# IMAGINE

WHAT WOULD HAPPEN IF a group of Snoqualmie Valley

teen **S** and **A**dults got together to discuss a **V**ery important issu**E**?

What might happen if we heard about **the** current local teen

**D**ata—with our youth? **IMAGINE** if we **A**ll heard **T**ogether th**E** most

recent research regarding the teen brain and substance use?

IMAGINE if we could learn *from our teens and with our teens* things like:

- how many teens drink and how many **DON'T** and **WHY THEY CHOOSE NOT TO**
- what teens and adults need to know about legal issues involving student parties
- what families and the community **CAN DO** to strengthen bonds and prevent substance use
- what teens need and **WANT** from the adults in our community
- how to be part of the far-reaching community effort involving a **FAMILY PLEDGE**
- hopes and fears about the high school social scene
