ABOUT US: WHAT WE DO

The format of our 11 different sports camps and programs include traditional week-long summer day camps and year-round after-school programs that range from 45 minutes to 6 hours in duration, per day. Our progression of camps and programs, led by our expert staff, are geared toward youth looking for a sport introduction or those who want to refine and master their sport-specific skills.

SAFETY-FOCUSED

We go the extra mile to focus on safety, and we have a long-standing proven safety track record and processes to prove it. Safety highlights include:

- Pioneering industry standards since 1979 for safety and curriculum
- Holding the health and safety of our campers in the highest regard
- Glowing consumer testimonials

This was an EXCELLENT experience for my son. The coaches were serious but fun and encouraging. I think it has set my son up for the LOVE of a sport for a lifetime. Thank you!
- Leigh C. - West Linn, OR

FUN-FOCUSED

Fun at our camps mean lots of smiles and gaining a sense of accomplishment while being active and socially engaged with other youth. We set the scene for fun by choosing the best location for the camp. Ingredients for a fun Skyhawks Sports camp include: Staff that maximize the "fun factor" for every camper on the field/court and a good match between child and camp.

This was a great experience. They knew my son by name and welcomed him each day. We will for sure be back!!
This is the best camp I have ever seen.

SKILLS-FOCUSED

Skill development is the driving force behind what we do. Over the last 30 years, we've perfected our progression throughout each day and week of camp to maximize skill development. Our progression is outlined below:

- Warm-up games and drills
- A new "skill of the day" each day of camp
- Games that reinforce skills learned
- Periodic breaks throughout the day to ensure safety, keep youth fresh, and encourage group bonding and friendship development
- End-of-day review of skills learned and games played
- A tournament at the end of each camp to showcase skills learned

OUR STAFF: THE BEST ON-FIELD EXPERIENCE

Our coaches and site directors make a significant difference to your child's on-field experience. Chosen for their strong personal character, responsibility and capacity to effectively communicate sports skills to youth, our staff will make the extra effort every time to ensure that your children have the best on-field/court experience, emphasize teamwork, and learn life skills through sports. Our staff are required to complete our extensive certification process that includes:

- Interview & tryout screening
- National background check
- CPR and first-aid certification
- Testing on and off the field or court
- Training and skill development workshops
